The Knowledge Platform on
Sexual and Reproductive Health & Rights

A Knowledge Platform on Sexual and Reproductive Health and Rights (SRHR)

Bringing SBCC professionals to one place

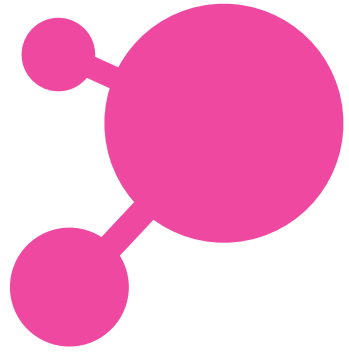

Shakhawat is a young professional who has done award winning work in the field of SBCC for climate change, WASH and SRHR.

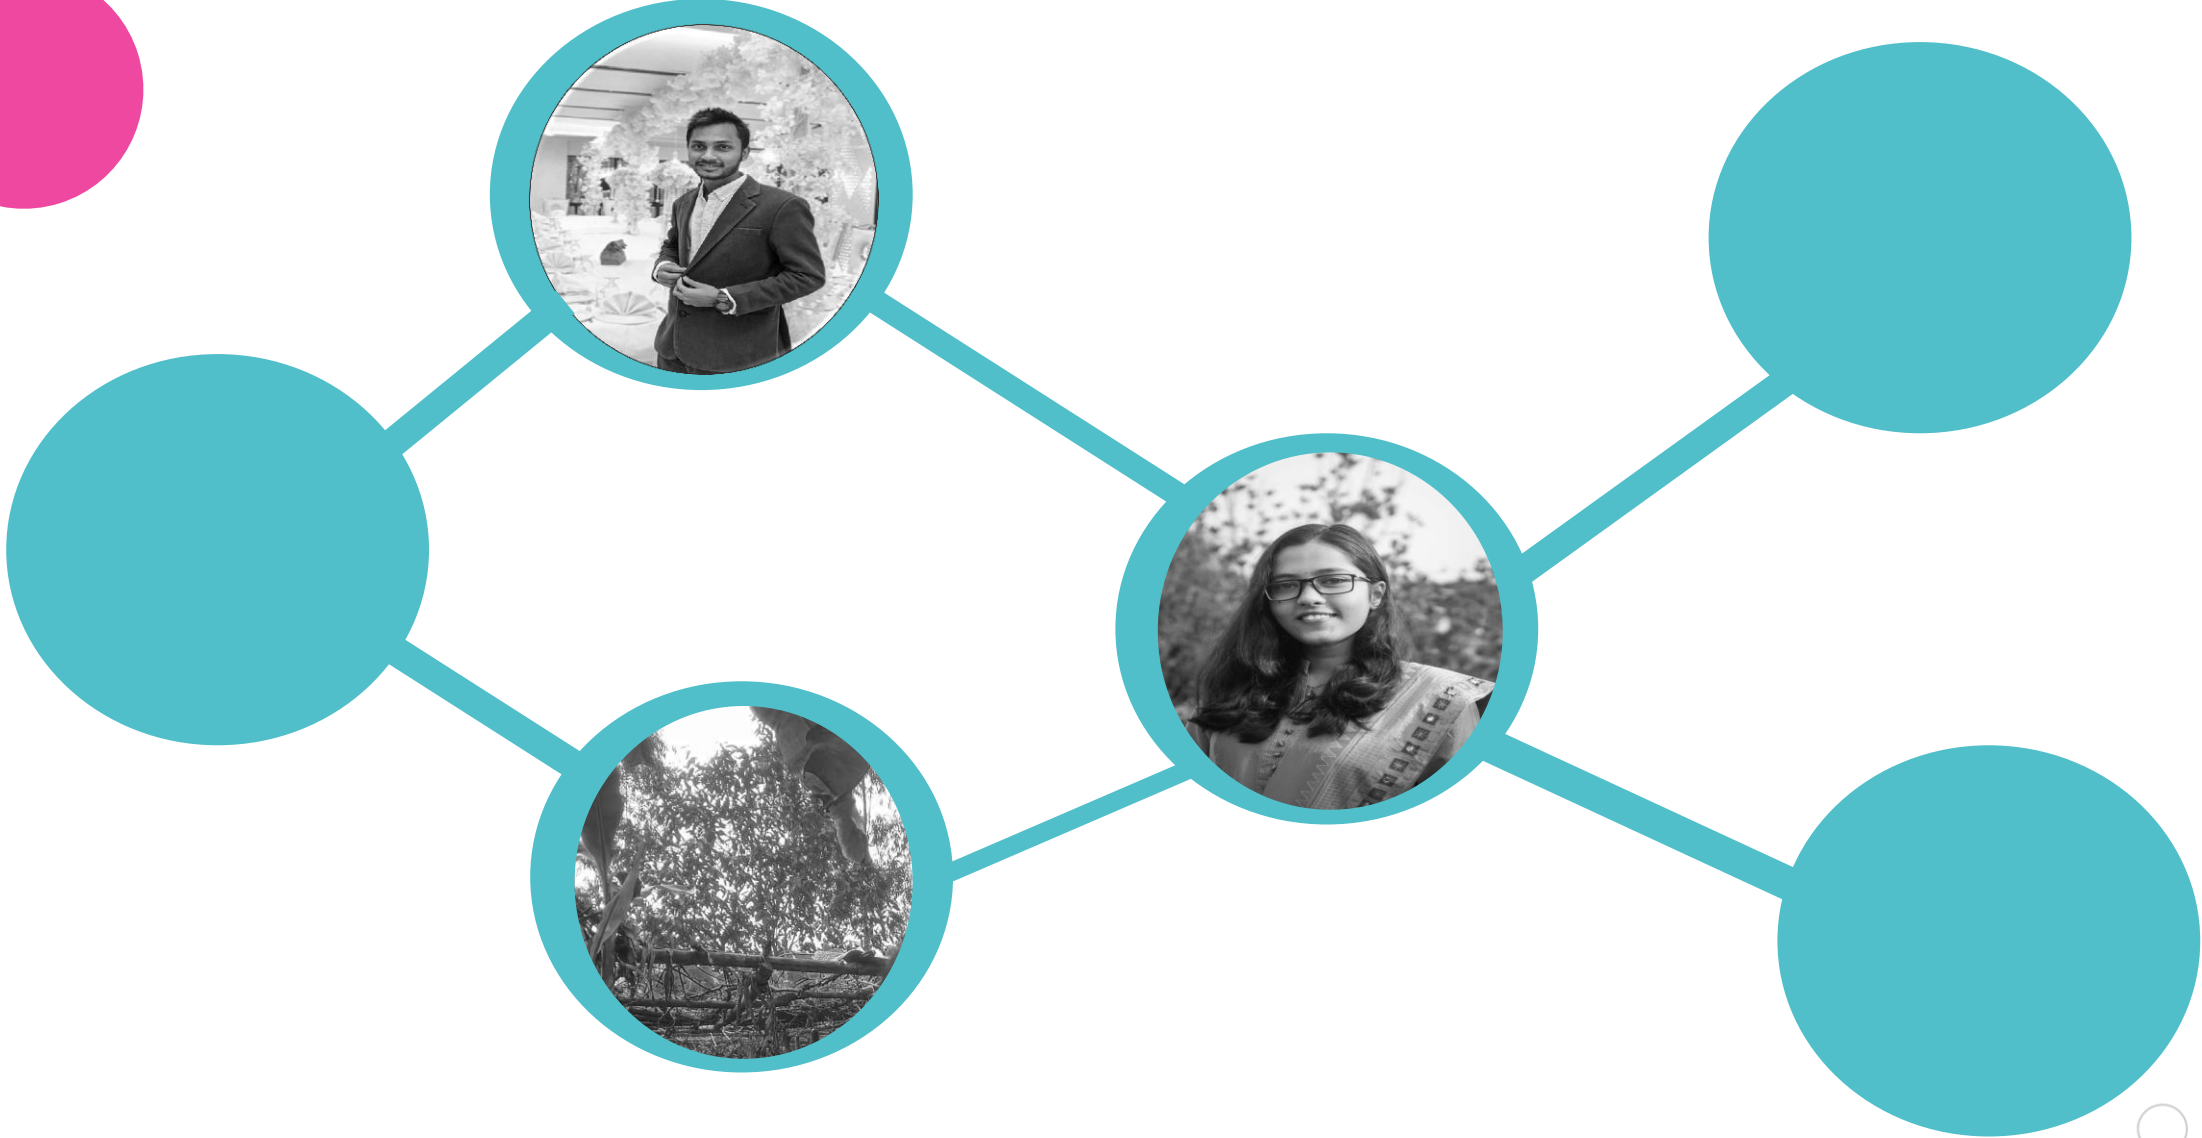

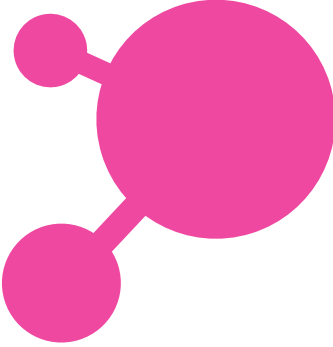

Dr Julia Ahmed is an independent consultant who has been working on SBCC in family planning and contraception. She has more than 25 years of experience in the field of SRHR.

Mansura is a social science researcher, particularly in the field of SBCC for SRHR, mental health, women and girl's leadership and participation in the community policing.

Knowledge Sharing

SBCC experts in the field of SRHR come together to discuss best practices, learnings and issues that require action in the future.

Knowledge Generation

We generate research to capture best behavior change practices that are applied among individuals and groups of people for issues like menstrual hygiene management, transgender rights, and other SRHR issues.

Knowledge Translation

We interview experts to translate tacit knowledge into explicit knowledge.

Knowledge Dissemination

We organise events to disseminate knowledge among the right target audience.

Networking

We provide spaces for professionals and young people to come together to exchange their learning and expand their network.
